FIRST NATIONS FINANCING

Take advantage of Maxim Truck & Trailer's purchasing power to get the best financing rates and options for your new or used truck or trailer. Financial services are also available on existing equipment you may own, or for financing large unexpected repairs. Our services are available in British Columbia, Alberta, Saskatchewan, Manitoba, and Ontario.

Maxim's on-site Finance Professionals know truck and trailer financing. They can work with financial partners who specialize in heavy equipment financing, and they understand the unique First Nations requirements. They will choose lenders based on your unique situation to get you the best rate available for your needs. All transactions are completed onsite so approvals can be offered fast. With customized financing solutions, Maxim can create a finance plan that works for you that is competitive, flexible, and convenient.

Maxim also offers a full complement of insurance options to make sure you're covered. Contact one of our Finance Professionals for more information.

Maxim's on-site Finance Professionals specialize in heavy equipment financing and they understand financing requirement unique to First Nations customers.

Maxim Partners with Live Different

Maxim is pleased to have recently partnered with Live Different who travel across Canada putting on presentations for youth – including First Nations youth.

“Live Different is an incredible organization and we are happy to have provided them with the transportation they need,” says Troy Hamilton, President of Maxim.

Watch for one of their new Live Different International CV trucks that may show up in your First Nations Community in 2020.

WIN A

\$2,000

WESTJET 

GIFT CERTIFICATE!

Any First Nations who make an equipment purchase from Maxim in 2020 will be entered to
WIN a \$2,000 WestJet travel voucher.*
