WE OFFER FIRST NATIONS FINANCING

Take advantage of Maxim Truck & Trailer's purchasing power to get the best financing rates and options for your new or used truck or trailer. Financial services are also available on existing equipment you may own, or for financing large unexpected repairs. Our services are available in British Columbia, Alberta, Saskatchewan, Manitoba, and Ontario.

Maxim's on-site Finance Professionals know truck and trailer financing. They can work with financial partners who specialize in heavy equipment financing, and they understand the unique First Nations requirements. They will choose lenders based on your unique situation to get you the best rate available for your needs. All transactions are completed onsite so approvals can be offered fast. With customized financing solutions, Maxim can create a finance plan that works for you that is competitive, flexible, and convenient.

Maxim also offers a full complement of insurance options to make sure you're covered. Contact one of our Finance Professionals for more information.

We offer financing on all equipment featured in this catalogue.
