

FOOD INDUSTRY EQUIPMENT

2020 CATALOGUE

Supporting the Food Service Industry

There is very little cargo more demanding than Food. If you're in the Food business – or hauling for customers who are – then you need a transportation equipment provider who understands your business.

Maxim Truck & Trailer is a privately held Canadian company with locations from Vancouver to Montreal. With Maxim, you have the option to lease, rent, or buy your trucks and trailers.

Many of our top customers are in the Food and Beverage industry. We've put together this catalogue with the most commonly used transportation equipment for those in the food industry across Canada. The vast majority tend to Full Service Lease their equipment. Call your nearest Maxim branch when you need to buy, lease, rent or repair your transportation equipment.

LEASING IS THE TRANSPORTATION SOLUTION YOU CANNOT AFFORD TO IGNORE...

Commercial truck ownership is getting more challenging and costly to manage every day. For most well-run businesses, leasing is a superior financial and operational alternative. MAXIM offers a variety of comprehensive support services that allow you to manage your business more effectively and hassle-free than ever before.

FULL SERVICE LEASE

Get the vehicle specs you need, predictable costs for all vehicle maintenance, Priority Service, and 24/7 Roadside Assistance.

OWNERSHIP TRANSITION

Unlock the equity that is tied up in your truck fleet and put cash back in your business. Learn the true cost of truck ownership versus the advantages of a fleet buyout and a Full Service Lease.

SHORT & LONG TERM RENTAL

Late model sleepers, day cabs, flat beds, box trucks, refrigerated vehicles and more—available for rent by the day, week or months at a time.

DEDICATED MAINTENANCE

Customized dedicated truck maintenance, Priority Service and a fixed monthly cost for scheduled preventive and unscheduled maintenance.
