CONSTRUCTION EQUIPMENT CATALOGUE

2021

Maxim is proud to serve customers in the Construction industry across Canada.

Road builders and those companies involved in infrastructure projects large and small are critical to our communities and our economy.

As Spring arrives, you will undoubtedly be preparing for another busy construction season. During these times, our Maxim locations across Canada are here to serve customers like you.

Enclosed are just some of the equipment offerings we have that are suited to the construction industry.

In addition, our Service facilities, Parts professionals and Rental equipment are at your service to keep you operational.

We wish you, your employees, and family members all the best for 2021.
