## Products that work as hard as you do

Our industry-leading heavy duty diesel engine oils outperform major competitor formulations

### 5W-40 IDO Universal

- Promotes engine cleanliness
- Excellent resistance to high temperature
- Low ash formulation with less than 1%
- 100% synthetic

### 10W-30 IDO Premium Plus CK-4 Syn Blend

- Prevents piston deposits
- Increased oil drain intervals with regular used oil analysis testing
- Improved shear stability

### 15W-40 IDO Premium Plus CK-4

- Up to 23% better contamination handling
- Prevents piston deposits
- Up to 14% less wear than CJ-4 oils

**Questions? We're ready to help you determine the oil that works best for you.**

**MAXIMIZING FUEL ECONOMY**

Any fan drive is going to put a load on your vehicle's engine...and that consumes fuel. What matters is optimizing when and how often that fan cycles and at what speed. For example, having a fan run in cold conditions is often unnecessary...and can lead to the issue of over cooling. Horton can help you choose the right cooling system for the conditions and environments in which your vehicles operate.

## REDUCING NOISE

Horton fan drives and fans will keep your engine cool...but they can also help minimize the noise of your fleet or vocational vehicles. Less noise is good for the environment and it increases the comfort of your vehicle operators so they can be more productive. It also helps with neighborhood harmony should your application work close to or within residential areas. Horton has a variety of fan drives and fan-blade designs to suit your needs and goals when it comes to reducing noise while ensuring proper cooling.
